

BUY ONE MOBILE LPR SYSTEM & GET ONE MOBILE LPR SYSTEM FREE!

OFFER EXPIRES DECEMBER 3, 2021

We understand the budgetary constraints that may delay or prevent access to real-time license plate intelligence technology. This promotion puts real-time intel at your fingertips by providing your agency with a free 2-camera mobile system with the purchase of a 2-camera mobile system.

Our Mobile License Plate Recognition (LPR) Camera Systems are a complete solution that can be deployed on any vehicle in your fleet and easily operated by any driver. It enables your team to receive real-time alerts, conducts comprehensive searches, and paired with Vigilant PlateSearch, leverage advanced analytics tools to uncover new vehicle location insights that protect communities.
