Check out the latest Equipment at www.urci.com

SERVICE – URCI can meet ALL your technical needs – including Repairs of all makes & models. If needed, your repairs can be estimated for approval. We provide time & material. Repairs (or) Your Equipment can be put on Monthly Maintenance Coverage. Email us at service@urci.com

RENTALS – Short term or long term rentals are available from URCI and we can meet your channel requirements. Call today for a great rental rate!

LEASING – Fit your budget with “lease to buy” programs of 1-5 years with various purchase options customized to your needs! Ask your sales person for a quote.

United Radio Communications has been a leading 2-Way Radio provider for the Greater Chicagoland area for more than 20 years. Our Field Service Technicians and Engineering department are what separate us from the competition. Whether your company/building needs basic “Walkie-Talkie” communication or an Engineered Radio Solution – **United Radio** can find the Best Solution for you.

URCI also has our own in-house Couriers – available for pick-up and delivery, Bench Technicians – to service all manufacturer’s equipment & Field Techs for On Site needs. Our Talented Staff allows for quick response & turnaround on all repairs, as well as Full System Design, Installation & Maintenance.

United Radio Communications offers a Wide Range of 2-Way Radio Products & Accessories:

- Portable Radios
- Batteries
- Antennas
- Audio Kits/Ear pieces
- Belt Clips & Carrying Cases
- Remote Speaker Mics
- Multi Unit Chargers
- Repeater Systems
- Base Stations
- Consoles
- Bi-Directional Amplifiers
